

Equine Ultrasound Wet Lab

August 28, 2010

Marion Dupont Scott Equine
Medical Center
Leesburg, VA

Limited to 30 participants

The Virginia Association of Equine Practitioners is proud to offer a hands-on, practical ultrasound wet-lab. The full day program will include a morning lecture followed by **4 hours of small hands-on groups with 5 instructors.**

The five ultrasound stations, with horses, will include:

- **Basic Lower Limb**
- **Coffin, Pastern and Fetlock Joints**
- **Thorax and Abdomen**
- **Stifle**
- **Proximal Suspensory**

Instructors include:

- Dr. Abby Sage, ACVIM
- Dr. Etta Bradycamp, ABVP, Dip. ACT
- Dr. Anne Derochers, ACVIM

Breakfast and lunch are included. Program begins with a 3 hour lecture at 8 am. 4 hour demonstration/interactive small group sessions will be from noon to 4pm.

Proceedings will be available.

Cost: \$300 for VAEP members \$350 for non- VAEP members.

Mail registration and check to: Ultrasound Wet Lab c/o Tabitha Moore
Blue Ridge Equine Clinic—Valley Division 55 Mint Spring Circle Staunton, VA 24401
