from the Maryland Veterinary Medical Association

## Sign up for Our Monthly E-Tips

The Maryland Veterinary Medical Association and this hospital are sending monthly e-mail tips to pet owners. We talk about how to care for your pets at home and how your veterinarian can help. These tips are absolutely free — no strings attached. There are no advertisements and you won't be bombarded with unwanted solicitation — just important tips on keeping your pet healthy.

To subscribe, simply fill in your name and e-mail address below. If others in your family might be interested, sign them up as well. We will not sell your e-mail address or share it with anyone. Each message will contain an opt-out clause at the bottom and, if you don't want to hear from us again, you won't.

Check out past e-mail tips on the MVMA web site at [www.mdvma.org](http://www.mdvma.org).
