

Maryland Veterinary Medical Association

- SPONSORSHIP OPPORTUNITIES -

Continuing Education Meetings:

The MVMA hosts six continuing education meetings per year. These conferences, which are held in various areas of the state, provide both member and non-member veterinarians as well as technicians with continuing education credit hours necessary for licensing. Sponsorship opportunities are limited only to your imagination and are one of the best ways to gain exposure and recognition as a supporter of veterinary medicine and those that provide professional care. Listed below are the conference opportunities for 2010-2011:
